Volunteer Opportunities

GIT Improv – This is a one-day event at Comedy Sportz. Help will be needed to plan, advertise, solicit items for a silent auction, and set up as needed.

Feed the Orchestra - Friday nights before each concert, VfS serves a catered hot meal for orchestra members during their rehearsal break. VfS members provide baked goods for dessert (cookies, bars, etc). Setup occurs on Friday afternoon in the Adler Theatre Lobby (tablecloths, coffee, etc.). We need volunteers to bake, to help setup on Friday afternoon, and also to serve in the early evening before each series concert.

Meet and Greet at concerts - VfS Members are needed to welcome concertgoers and help answer questions, and then thank them for coming after the concert.

QCSO Phones - The Symphony office appreciates help with front phone coverage. It's a great way to share a friendly face with patrons as they stop in. No specific time commitment is required, just as needed.

Riverfront Pops Concert - This concert is an outdoor concert on the riverfront in late summer. Help is needed for setup on Friday and on Saturday, various shifts for ticket taking, handing out programs, helping with handicapped parking, teardown after the concert, etc.

Symphony Day – This is a one-day event where more than 6,000 4th & 5th graders attend three free concerts performed by the Youth Symphony Orchestra at the Adler Theatre. Time involvement would be working one of the shifts or providing food for the orchestra members.

Trivia Night – Volunteers on this committee will select the date and location, and will be responsible for all planning (coordinating marketing, registrations, silent auction items, etc.) for this fundraising event.

VfS Fundraising Planning Committee - This committee will meet a few times per year and discuss potential fundraising ideas for VfS. Do we bring back some of the oldies but goodies, or do we have new creative ideas? What are other symphonies doing to raise funds?

VfS Membership Committee - This committee will work on retention of current volunteers and recruitment of new volunteers. Activities include planning fun events for current and potential VfS volunteers. It's a great way to say thank you and build lifelong relationships. This is for those individuals who love planning parties and events.

Volunteer Organizing - Help is needed to make sure we have adequate volunteers scheduled for each event.

Youth Ensembles Assistance – Volunteers are needed to help with auditions, hand out programs, organize music, etc. The ensembles include: Quad City Youth Symphony Orchestra, Quad City Youth Philharmonic Orchestra, Quad City Youth String Ensemble, Quad City Prelude Strings, Quad City Youth Choir.
